

You "OTTER" take a look at SWAT!

Our swim lessons are specifically geared toward the beginner swimmer. We find children learn to swim sooner with daily instruction, so our lessons run Monday through Friday for 10 lessons. Our program is unique in that we are:

★ **"Goal Driven"**

We have a well-defined set of advancement goals for each of the ten stations. This way we are able to breakdown the learn-to-swim progression into phases.

★ **"Confidence Building"**

Swimmers are able to "graduate" to the next level at any point during the session, which creates a sense of accomplishment as they move from station to station. On average, children move up two to three levels in ONE session!

★ **"Technique Oriented"**

We are very concerned with teaching proper stroke mechanics. Proper technique is often overlooked in beginners to the detriment of the swimmer. Correcting errors is a much more difficult process later in the developmental progression. Our coaches emphasize correct learning from the first lesson.

We are also unique in that we provide:

★ **"Individualized Instruction"**

Unlike conventional swim lessons, Swim America provides averages 4-6 swimmers per coach. This provides the swimmer with individualized instruction that allows the child to progress at his or her own pace throughout the session.

★ **"Experienced Coaches"**

Our swim lessons are conducted by a highly trained group of elite competitive swimmers who, not only are professional lifeguards, but are also certified by the American Swimming Coaches Association. Their experience and commitment to the sport of swimming, give our swim lessons a distinct advantage over conventional lesson programs.

Our 30-minute lesson includes approximately 26-28 minutes of instruction, followed by 2-4 minutes of supervised free time.

LOCATIONS:

SESSION: C

MUSKEGO HIGH SCHOOL
W183 S8750 Racine Ave., Muskego

SESSIONS D, E, F, G, H, I

FOUNTAINWOOD POOL (heated outdoor)
S6587 Fennimore Ln., Muskego
