- **GOAL DRIVEN INSTRUCTION**

- We have a defined 10 level progression to teach children to swim.
- Your swimmer will be tested the first lesson to ensure proper level placement.

- **INDIVIDUALIZED INSTRUCTION**

- We provide swim lessons to swimmers of any ability level.
- We teach all 10 levels during the same timeslot.
- Parents are able to bring all of their children to the same lesson time.

- **CONFIDENCE BUILDING**

- We allow children to “graduate” levels at any point during the session.
- Once the goals for a level are achieved, swimmers are able to move to the next level the very next lesson!

- **EXPERIENCED COACHES**

- Our coaches are highly trained competitive swimmers. They are lifeguard certified and are certified by the American Swim Coaches Association.
- Swim America provides an average of 4-6 swimmers per coach.

**We want you to watch!** You are encouraged to stay and watch their children progress throughout the 10 stations. We are confident that you will be amazed at how fast your swimmer will become efficient and comfortable in the water.
