

## Fall/Winter Short Course Session 2010-11 Membership Information

The Southwest Aquatic Team (SWAT) is a competitive swim team offered to children, ages 5 thru college age. Swimmers are coached by certified professional coaches. Practices are mainly held at Whitnall High School, Muskego High School and Greenfield High School.

While many of our new swimmers do come out of our Swim America lessons program, it is not a requirement to have attended Swim America to join our program. Swimmers who are new to our program and have missed our tryouts for the season, may still be evaluated and join at any time. Fees can be pro-rated depending on swimmers start date in the season.

SWAT offers several different group levels. Level placement will be determined by swimmers age during the session and ability level. Minimum requirement for a new swimmer is the ability to swim 25 yards freestyle and 25 yards backstroke without stopping. Our website has a more complete description of the different levels. Find us at: [www.swimswat.org](http://www.swimswat.org)

**PRACTICE SCHEDULES:** Depending on the group, swimmers are offered 3/6 practices per week. While attending every practice offered for your swimmers level is encouraged, it is not mandatory to attend every practice to remain on the team.

**Swim Meets:** Your swimmers coach will select 1 – 2 meets per month which are appropriate levels of competition for your swimmers group. You will be given a meet schedule at registration. Swimmers are expected to participate in all meets scheduled for your group. Families are responsible for signing up their swimmers for each meet designated his/her group. We have an online meet signup program that requires you to declare whether you will or will not attend a meet. It will remind you as a signup deadline approaches. Swimmers who fail to declare his or her intention by the entry deadline may be entered in the meet by his/her coach, and consequently will be responsible for all fees accrued for that meet, whether they attend or not. This also includes relay charges. Coaches do review the meet entries before they go in and may approve or change events. There are additional meet entry fees for each meet, usually about \$3-\$4 per individual event. We will ask you to establish a separate escrow account, \$75 per swimmer for all swimmers in the Platinum/Gold category and \$50 per swimmer for Age Group Silver and the 8 and under program. The SWAT office manager will pay your entry fees from that escrow account. Your online invoice thru Team Unify will notify you when you need to add additional funds to your escrow account.

**Equipment:** At practices, swimmers may wear any color and style suit, and need good fitting goggles. It is suggested anyone with longer hair do wear a swim cap. While we do have fins, paddles and kick boards available to use at our pools, as your swimmer advances, your coach may require them to have their own equipment bags. Suits and equipment are available through All American Aquatics, 1-800-910-7946 or [www.all-americanaquatics.com](http://www.all-americanaquatics.com), they are our primary vendor, and will be able to help you with the equipment that SWAT coaches require. As swimmers progress, most of the coaches will want the swimmers to have their own mesh equipment bags that have fins, hand paddles, pull buoy, kickboard and water bottle. Upper levels may require a snorkel and Hydro brand fins. Swimmers keep their bags at the top of the lanes, so that everything is readily available to them. This minimizes time spent out of the water digging for equipment and getting drinks!

For meets, swimmers must have a solid black team suit. It may be any brand, but it must be solid black. If a swim cap is worn it must be a SWAT team cap. SWAT logo gear should be worn to all swim meets and is available, along with caps from our Team Gear chair.

**Volunteer Requirement:** SWAT hosts 2 meets during Fall/Winter short course. Each family is required to work a total 3 sessions. 2 parents can work one meet, or one parent can work 1 session of each meet. If you are unable to fulfill your requirement, we do have a buyout option. Families, who are joining SWAT for the first time this session, are exempt from working the meets this session, but we do encourage and appreciate your participation. Worker sign will be done through **SignUp Genius**. The link is posted on our website. New families will be contacted to register for signup genius. If you experience any problems getting onto the website please contact our **Volunteer coordinator: Kim Schoof: [schoof5@hotmail.com](mailto:schoof5@hotmail.com)**

**Fundraising Requirement-** SWAT has one mandatory fundraising obligation per session equaling \$75 per swimmer or \$100 per family. Because SWAT is a non-profit organization, team fundraising events are chosen that have low overhead costs, with larger revenue retention for the program. This also allows you to offset your fees by selling the raffle tickets. The mandatory fundraising events for Fall/Winter Session:

**Short Course: Raffle- Family tickets and raffle info will be handed out at registration for both current and new families joining at tryouts.**

Drawing takes place 12/4/10 after the PM session of the SWAT hosted meet at Waukesha So. HS

**(winners do not need to be present)**

SWAT will also offer several other optional fundraising opportunities thru out each session. Once you have completed your mandatory obligation, if you participate in any other optional events, all profits are split 50/50 between you and SWAT as credit for your next sessions dues. Credits can not be used for any other costs except dues, and are not reimbursable to you or transferable if you leave the club. Swat's fundraising chair, Suzette Larsen will have Fundraising Packets. For those joining after the onsite registration the raffle tickets will be mailed out upon receipt of session fees.

**WELCOME** as we head into the Fall/Winter 2010-11 Short Course Session. It is suggested you save this letter as it provides information that is frequently requested throughout the season, particularly start/end dates, email, phone numbers for staff and fundraising questions.

**MEMBERSHIP/USAS BILLING:** We have an on line billing system called Team Unify that will automatically generate session fees on the 20<sup>th</sup> of each month. Once our season begins, you will be able to track charges/payments to your account anytime you are signed in to the SWAT website. It is your responsibility to check your on line account prior to the 20<sup>th</sup> of each month to avoid a \$10 per month late fee. All current registered families (Including high school swimmers) will be expected to make a full or partial payment (2 payment option) at registration in order to maintain current club status.

**2011 USA- Swimming Registration:** ALL swimmers in our program must be USA Swimming registered. USAS sanctions our program, provides liability insurance, and includes a quarterly magazine subscription to Splash Magazine. High school men who are graduating seniors this year, and are done swimming after their high school season, are covered by their 2010 registration until 12/30/10. However, if you plan to swim USAS state in February or August, you must register for 2011.

**CODE OF CONDUCT FORM and WAIVER FOR ADMISSION** New forms required at the start of each session. Please return it completed and signed with your registration fees. Please read carefully the Athlete/Parent Code of Conduct, and **Registration Agreement Policy**. These forms must be completed, and returned with registration fees. Swimmers will not be allowed to enter the water without payment and forms on file.

**ESCROW:** Our program is a competitive swim team and as such, registered swimmers are expected to compete in the meets selected by their coach for their group level. Meet entry fees are not included in registration fees. \$75 per swimmer for Gold/Platinum level swimmers or \$50 for Age Group Silver and 8 and under swimmers is suggested for season start. Meet entry fees are paid up front by SWAT at the beginning of each season when we make reservations to the sponsoring teams, therefore, your prompt payment for past due entry fees, would be appreciated! You do not need a separate check for escrow; you may include it with your registration fees.

**FUNDRAISING REQUIREMENT:** July 25th to January 31st is the fundraising period for 2010-11 short course. ALL registered families are required to fund raise \$75.00 per swimmer/\$100 per family (in profit) per season. This includes families new to our program this session. A Raffle is scheduled as our major fundraiser this session and we will also have our annual Kringle and Coffee Sales. The raffle will be mandatory for all SWAT families. Families will be assessed this fee at time of registration. Raffle tickets will be distributed at registration. Families who purchase additional tickets above the mandatory can count that towards the 50/50 fundraising credit. All other scheduled fundraisers will be optional after the raffle. If you participate in optional fundraising events, profits are divided 50/50 between SWAT and you, for credit on long course dues. Fundraising credits cannot be used for any other fees except for actual membership dues. If you leave the club for any reason, it is not reimbursable to you. SCRIP will continue to be an on going fund raiser and is an easy way to earn profits, without spending anymore from your normal budget. **Questions regarding our fund raisers or your credits, contact Suzette Larson at 414-425-7042**

**MEET VOLUNTEER REQUIREMENT:** We are hosting a SWAT sponsored meet on Saturday, October 4th. Swimming this meet should be considered mandatory for the Senior Team, AGP and any AGG distance swimmers. SWAT is also hosting a meet on Saturday, December 4<sup>th</sup> and this meet is considered a mandatory ALL TEAM meet. Families need to provide 2 workers for one session or work 2 sessions of the December meet. All registered families are expected to volunteer to work at these important meets. A \$50 buyout option per required session is available, but we greatly prefer your help for these important, revenue producing events. Families will also be required to donate concession items for each meet. Worker sign up will be done through SignUp Genius. The Link is posted on our website. If you experience any problems getting onto the website please contact our

**Meet Volunteer coordinator: Kim Schoof : [schoof5@hotmail.com](mailto:schoof5@hotmail.com)**

Note: Families new in September will be exempt from this session's worker commitment.

**SCHEDULES:** Proposed start and end dates can be found on session fee information. Meet and Practice Schedules will be available on our website. Schedules should be considered tentative and may be revised after final registration numbers have been determined. While every effort is made to provide scheduled practice time to each group, SWAT reserves the right to cancel or change practice times and will not pro rate or reimburse fees due to circumstances beyond our control. **Please check daily by calling the SWAT HOT LINE 414-299-WHAT (9428) The hotline is usually set by 6am each morning.**

**Session Fees** are due at time of on site registration. Checks should be made payable to SWAT.

**MEMBERSHIP FEES ARE NOT REFUNDABLE.** If illness/disability prevents your swimmer from attending practice for a period *exceeding* 3 weeks, a portion of the session's fees may be credited toward next session upon receipt of medical explanation from your doctor. Please bring signed completed and signed forms with payment to on site registration. Please do not give any paperwork or money to any of our coaches. ## SWAT MEMBERSHIP/REGISTRATION AGREEMENT POLICY

All SWAT families are billed a family registration fee, in addition to team dues and annual USAS sanctioned registration. This family registration constitutes an agreement to abide by all policies and codes as laid out in the SWAT handbook.

### I. Policy Statement

1. Members in good standing shall understand and agree to comply with the following.
  1. Pay all fees in full prior to attending SWAT sponsored activities, practices, meets. Monthly late fees will be assessed to accounts not paid in full by designated cut off date. If arrangements are not made with office manager, swimmers will not be permitted to remain in the water. Family & USAS Registration are not pro-rated or refundable. Session fees are not pro-rated or refundable. An injury or medical reason prohibiting a swimmer from entering the water for a period exceeding 3 or more weeks *may* be eligible for credit on next session's dues, upon provision of medical statement from doctor. The doctors name, phone number, dates of service, and doctors signature must be provided. Doctor must state that swimming must be suspended for period of time designated to earn medical credit.
  2. Sign and return to office manager the SWAT Waiver, Parent/Athlete Code of Conduct and registration policy
  3. Participate in each session fundraising event or be billed \$75 per swimmer/\$100 family cap for short course( raffle) or long course event (Swim-A-Long).
  4. SWAT hosts 2 meets per season. These are an important source of income revenue for the program that **all** families benefit from. Each swimmers family will provide one family member to work one complete session at the October SWAT hosted meet and 2 Sessions (or 2 members at one session)of the December meet. An optional \$50 buyout per session is available. It is the responsibility of the family to provide a replacement over the age of 16 if unable to fulfill obligation. Failure to fulfill your family obligation after you signup will result in a \$75 per meet session fee. Families will also be asked to donate food/beverage items for concessions at meets, or donate a comparable amount per family.
  5. Maintain a balance in your family escrow account of \$75 per swimmer to pay for meet entry fees.

### II. Athlete Parent Conduct Statement

- A. In order provide an orderly operation of the SWAT program, rules, regulations and procedures for enforcing same, must be established. Parents and swimmers are asked to read and sign the parent/athlete code of conduct in order to begin practices. More details regarding SWAT policies can be found in the SWAT handbook. From time to time disputes do arise in any program. The following procedure must be followed by parents in order to properly resolve issues regarding any coach/swimmer/parent conflict.
  1. Individuals who have a problem or complaint with a coach/practice/level placement are encouraged to have an open and honest discussion with the coach first. This should take place in a private setting, and should NEVER be done in front of your swimmer, or any of the swimmers or parents at practice or meets. Please make every effort to contact your coach via email to set up a time, prior to discussion, in case the matter takes longer than expected. Parents should not monopolize a coach with issues during the actual practice or meet as this is distracting for all involved and undermines the coaches' authority at a practice and meets.
  2. If you feel after discussion with the coach, that the issue has not been resolved, the next step is to contact the Competitive Program Director, and a meeting will be set between the Director/Coach and Parent, to discuss and find ways to resolve the issue.
  3. If an appropriate amount of time has elapsed and the matter is still not resolved, the issue needs to be brought to the board for action.

### III Acknowledgement of Registration and Code of Conduct Policies

We have read and understand the Code of Conduct, Membership/Registration Policies outlined above. We agree to adhere to these policies by acknowledging our individual responsibilities as family members of the Southwest Aquatic Team
